

Happy Birthday, Professor Hazeltine!

- H** – Helping others, which is now a passion of mine after watching you and serving as a teaching assistant for 50+ students under your guidance
- A** – Apple of your eye for devoted, loving, and amazing wife Mary
- Z** – Zest for life, business, and the people around you
- E** – Energy when you jumped off the stage to shake a student's hand
- L** – Love in your truly caring about each and every individual student
- T** – Training for teaching me lessons in business and life that will really stand the test of time
- I** – Insight for your wisdom and knowledge that you shared with me
- N** – Names – for remembering my name after barely meeting me in a room of 300+.
- E** – Enthusiasm – boundless, beyond compare!
