

Ever True to (Everyone's Favorite, Barrett Hazeltine) Dean

We are ever true to (Everyone's Favorite) Dean
For we love our EN 9 (and 90!)
And wherever we may go,
We are ready, thanks to Barrett Hazeltine
And as the Dean would always say, (what would he say?)
“Hey...are you awake? Are you happy? How are you doin’ today?”
That you can’t beat Dean Hazeltine.
He makes everything seem so easy and learning so much fun.
And knows (and remembers by name!) everyone.
So, for his birthday this year, we knew something special had to be done.
We talked and talked and just reminisced and then ultimately wished,
That non-Brunonians could have had this life-changing experience!
Thanks so much for everything! We'll always be friends!
We love you, Dean!

Happy Birthday!
